## ADVANCE TECHNOLOGY UNIT 2

IDA ATHLONE BUSINESS AND TECHNOLOGY PARK Aerial overview

Interior

## Designed to provide a high quality and flexible working

This 512 m<sup>2</sup> (c.5,510 ft<sup>2</sup>) Advance Technology Unit is located in a campus style development of similar units on IDA's Business and Technology Park, Athlone. The unit comprises of office accommodation and a production area with an eaves height of approximately 6 metres (20 feet). Subject to planning, there may be possibilities for both internal and external expansion.

Athlone, with a population of c.17,500, is Ireland's most central town and located on the banks of the River Shannon. The town has excellent infrastructure and also has easy access to Dublin via the M6 motorway. Athlone has a strong student population, with c.6,000 students attending higher certificate, degree, masters and PhD courses at the Athlone Institute of Technology.

IDA Ireland's Athlone Business and Technology Park is c.40 hectares (c.100 acres) and is within minutes drive of the town centre. It has been landscaped and designed to a high standard offering accommodation for both manufacturing and international services clients. The park has greenfield sites available for future development.
