New to the Energy Show 2011

Sustainable Energy Innovation Award

SEAI is looking for Ireland's brightest energy entrepreneur. This inaugural Award will encourage and profile the outstanding work being done by start-up businesses in developing innovative sustainable energy products, solutions and services. Entries are open to businesses between six months and three years old with pre- or early- commercialisation stage sustainable energy solutions. Short-listed companies will present before a panel of judges in a *Dragons' Den* format at the Energy Show. If you are a new business with an innovative energy solution, enter the Awards to be in with a chance of winning €3,000 towards your business development.

Closing date for entries Wednesday, March 9th.

Product of the Show Awards

This year will see the introduction of the Product of the Show Awards, to which all exhibitors at the Energy Show are eligible to enter. Products will be subject to a rigorous judging process by a panel of highly qualified and experienced professionals and winners will be announced on the first day of the Show.
